

Ontario Multifaith Council on Spiritual & Religious Care (OMC)

Spiritual and Religious Care Awareness Week: October 18-24, 2009
Hope for a New Beginning

Each year, the Ontario Multifaith Council invites you to participate in our annual celebration of Spiritual & Religious Care Awareness Week. This year's theme, "**Hope for a New Beginning**," recognizes the importance of paying tribute to the efforts of chaplains and other spiritual care providers who give of their time, talents and energy to be a compassionate, hopeful presence in a society that is faced with numerous social and economic challenges.

In addition to the resources we provide to help you with the celebration of Awareness Week, the Multifaith Council offers an educational event each year that can revitalize your compassion and your caring abilities. Why not join us at the Jackson's Point Conference Centre on October 26 and 27, for our Provincial Educational Conference that will explore the theme "**Hope for a New Beginning**," in greater detail.

If you would like to order resources for the celebration of Spiritual and Religious Care Awareness Week, or you wish to know more about the Provincial Educational Conference, or if you have any questions, please visit the OMC website: www.omc.ca, contact us by e-mail; sandrcare@omc.ca, or call us at (416) 422- 1490 or our toll free number 1-888-837-0923. We would be pleased to help you.
